Service / Item	Qty	Rate	Amount
Cloud Infrastructure Service #1 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 1.	2	₹1,600.00	**₹3,200.00**
Cloud Infrastructure Service #2 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 2.	3	₹1,700.00	**₹5,100.00**
Cloud Infrastructure Service #3 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 3.	1	₹1,800.00	**₹1,800.00**
Cloud Infrastructure Service #4 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 4.	2	₹1,900.00	**₹3,800.00**
Cloud Infrastructure Service #5 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 5.	3	₹2,000.00	**₹6,000.00**

Service / Item	Qty	Rate	Amount
Cloud Infrastructure Service #6 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 6.	1	₹2,100.00	**₹2,100.00**
Cloud Infrastructure Service #7 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 7.	2	₹2,200.00	**₹4,400.00**
Cloud Infrastructure Service #8 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 8.	3	₹2,300.00	**₹6,900.00**
Cloud Infrastructure Service #9 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 9.	1	₹2,400.00	**₹2,400.00**
Cloud Infrastructure Service #10 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 10.	2	₹2,500.00	**₹5,000.00**
Cloud Infrastructure Service #11 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 11.	3	₹2,600.00	**₹7,800.00**
Cloud Infrastructure Service #12 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 12.	1	₹2,700.00	**₹2,700.00**
Cloud Infrastructure Service #13 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 13.	2	₹2,800.00	**₹5,600.00**

Service / Item	Qty	Rate	Amount
Cloud Infrastructure Service #14 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 14.	3	₹2,900.00	**₹8,700.00**
Cloud Infrastructure Service #15 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 15.	1	₹3,000.00	**₹3,000.00**
Cloud Infrastructure Service #16 - Monthly Dedicated Compute High performance compute node with NVMe storage, 32GB RAM, and automated daily backups for cluster node 16.	2	₹3,100.00	**₹6,200.00**
